

# WOWBUTTER®

**Attn: School Officials**

I provide this letter as a parent that is concerned about the health and safety of students in our school system. **I am in full support of the peanut free and/or nut free policy of our school** and respect the decision of the School to implement this policy.

I would like to inform you that **I will be sending WOWBUTTER in my child's lunch as a 100% Peanut & Nut Free, peanut butter replacement** for the entire school year.

We use this product to provide our child with a **healthy and nutritious lunch** while at the same time **ensuring the safety of peanut and tree nut allergic students** at school.

This product looks, smells and tastes just like peanut butter and I encourage you to find out more information about **WOWBUTTER** on the website [www.WOWBUTTER.com](http://www.WOWBUTTER.com). It will provide re-assurance that the product is safe for schools and verification that it is manufactured in a dedicated 100% Peanut and Nut Free facility. **WOWBUTTER will not affect anyone with strictly a peanut and/or tree nut allergy who smells, ingests or comes in contact with this product.**

I am providing this letter as part of the **Safe-For-School Lunch Procedure** that I am following that is detailed on the [www.WOWBUTTER.com](http://www.WOWBUTTER.com) website. I will be applying the "MADE WITH WOWBUTTER" Labels as seen at top right above to every lunch sandwich and/or product containing WOWBUTTER. These labels are included with every jar purchased at a retail store and are easily identified on lunch containers.

**I ask you to respect my decision to use WOWBUTTER** and see the importance of providing a safe and nutritious product for my child's lunches. I understand that if my child's lunch does not contain the "Made with WOWBUTTER" identification sticker, then it cannot be consumed at school and will be confiscated.

**Please inform other kids in the class about WOWBUTTER to further educate them about acceptable foods for a peanut and/or nut free school environment. Free samples and information are available from [www.WOWBUTTER.com](http://www.WOWBUTTER.com) to help with the education process. School Posters for the classroom are also available online and can be downloaded and printed to remind students that they must label lunch items containing WOWBUTTER.**

**I appreciate your understanding and commitment regarding the use of WOWBUTTER and working with me on our common goal of safe, happy, healthy children.**

Sincerely,
